MEMBERSHIP APPLICATION

The Alliance of Illinois Cemeterians was established in 2001 with the vision to help Cemeterians and those close to the industry throughout Illinois. The purpose of the AIC is to foster a spirit of mutual assistance and cooperation between individuals interested in the highest standard of cemetery care.

Membership is open to all individuals interested in the management of private, not-for-profit, religious, fraternal, township or municipal cemeteries.

What makes the AIC different?

The AIC is a network of individuals who work together to address the daily challenges cemeterians face.

Why should you become a member of the AIC?

We encourage representatives of all areas of cemetery expertise to join as well as anyone in related death care industries, genealogists, and others interested in the preservation of lands dedicated to cemetery use. Through sharing ideas and information, we hope to strengthen our cemeteries and their sacred role in our communities.

What is the annual membership fee:

Only \$25 for each applicant. The AIC has been able to keep its membership fee at \$25 since its inception.

Membership benefits include:

- A Quarterly newsletter with important industry announcements and useful information that can be saved for future reference.
